EXPERIENCE

Digital Design

Aug 24 - Present

UX/UI Designer, Ammy.it

- Designed the mobile application interface according to project specifications.
- Built and implemented reusable UI components for efficient design scalability
- Collaborated with engineers and product owners to ensure cross-platform compatibility.
- Developed a rebrand, selecting cohesive color schemes and fonts to reflect the brand's identity.

Freelance Interior Architect & Product Designer

2021 - Present

UAO Studio - Milan, Italy

- Designed Residential spaces from conceptualisation to final finishes.
- Handled FF&E drawings, research and client presentation.

YEH Studio - Beirut, Lebanon

- Led the design for home accessories and furniture (tables, chairs, etc...)
- Selected materials, fabrics, and finishes ensuring a cohesive, unified design.
- Oversaw production to ensure quality and design consistency.

Guardini Ciuffreda Studio, Milan - Italy

- Designed exhibitions and setup design as well as retail design projects.
- Conducted research, conceptualization, execution drawings, and 3D modeling.
- Led and managed the "Internamente" project, an immersive installation showcased at Alcovia Design Week 2023.

Raffles, Milan - Italy

- Handled the setup of all internal exhibitions and Open Days.
- Designed the setup of the Salone Satellite 2023 student exhibition.
- Designed the new reception area, the new cafe, terrace and courtyard.
- Designed the setup of the yearly runway show in Palazzo Serbelloni.

Gemma Sfeir - Beirut, Lebanon

- Designed Residential spaces from conceptualisation to final finishes.
- Handled FF&E drawings, research and client presentation.

Teaching

Sep 23 - Dec 23

Professor, Raffles Milano

- Conducted a course on Adobe Creative Cloud applications.
- Taught foundational skills in Illustrator, Photoshop, and InDesign.

Assistant Professor, Raffles Milano

- Assisted in a portfolio-making course, guiding students from project selection to layout design and printing.
